Exclusive to Parrys Flooring,  
SpaceWalk brings acoustic innovation  
to Australian homes and businesses.

SpaceWalk combines natural timber  
aesthetics with revolutionary 7 layer  
technology for superior soundproofing and  
comfort. Every step feels softer, every room  
sounds quieter.

With 8 beautiful colours and Mattegaurd  
technology for safer family living, SpaceWalk  
delivers luxury durability and peace of mind.

## 7 Layer Technology
